V. P. 2-26-3

SIR,

With reference to your letter No: G. 7594/G.M. dated the 17th January 1927, directing that the various Village Panchayet forms and registers should be supplied to the sevral taluks direct from this office, I have the honour to state that a good deal of extra work will be thrown on the Press if such direct supply is undertaken and that heavy cost, about Rs. 500/-, will have to be incurred for conveyance of the consignments. This arrangement will also result in delay in transit as there is no Railway communication to some taluks. In these circumstances, I beg to state that it will be more economical and also ensure speedier supply if the forms and registers are supplied by the Press to the sevral Deputy Commissioners offices as in the case of the other Revenue forms and the Deputy Commissioners are requested to arrange for their distribution to the several taluks. They can easily arrange without much cost for their transit through persons who visit the District Head Quarters frequently from the various taluks. I request the favour of early orders in the matter.

I have the honour to be
Sir,
Your most obedient servant
